According to Robert Tilley, Troop 315 adult advisor committee chairman, scouting units are selected for the award on the basis of the accomplishments of the unit. A few of the things considered are community support services, assistance rendered in the sponsoring institution, leadership qualities, troop scouting activities, and troop growth.

The award banner is a red, white and blue banner approximately three feet long with

the words "Presidential Honor Unit" across it. It will be displayed by the boys of Troop 315.
